1.0 PREAMBLE

The successful conduct of the examinations of KIIT Deemed to be University for the following two streams depends greatly on the integrity, alertness and sincerity of the entire examination officials including Paper Setters, moderators and the examiners functioning under the leadership of Controller of Examinations and respective Centre Superintendents of different schools of the University listed below.

Stream (A) Engineering Sciences, Computer Applications, Social Sciences, Applied Sciences, Law, Biotechnology, Management, Rural Management, Yogic Sciences, Architecture, Fashion, Film, Mass Communication, Public Health, Languages, Social, Financial & Human Sciences, Nursing (only for B.Sc. Nursing- 2021 Admitted Batch onwards) and any other as in future under Grading system on 10 point scale.

Stream (B) Medicines, Dental and Nursing (except B.Sc. Nursing- 2021 Admitted Batch onwards) which follow absolute marking system.

The University conducts two examinations such as Regular and Supplementary examinations. The Regular examinations for stream (A) is known as End semester examinations and is conducted after completion of the semester course as notified in the Academic Calendar. The Regular examinations for stream (B) is known as Annual/Professional examinations and are conducted after completion of the course of every year as notified in the Academic Calendar.

The Supplementary examinations for stream (A) is known as End semester Supplementary examinations and is conducted after completion of the Summer remedial course as notified in the Academic Calendar. Considering the need of final year students, Supplementary examinations are conducted for last two semesters within one month of publication of the results of final semester examinations. The Supplementary examination for stream (B) is known as Annual/Professional Supplementary examinations and is conducted after completion of specified period as per NMC, DCI and INC regulations, notified in the Academic Calendar.

The examination schedule is notified by Controller of Examinations at least one month prior to the schedule of the examinations.

The guidelines are to ensure that each official, engaged in the examinations, discharges his/her responsibility uniformly and properly. It is, therefore, necessary that everyone involved in the University examinations must understand these guidelines and follow them strictly.

There are two types of examinations out of 100% marks each on theory and practical items and comprising of components such as Internal Assessment and End Semester/Annual examinations where as there is only one examination on sessional items. In case of Medicines, Dental and Nursing (both UG and PG programmes), the components of mark are followed as per the NMC, DCI and INC. In all preceding streams (A) and (B) hence forth shall be used to differentiate from one another.

The End semester examinations for stream (A) and Annual/Professional Examinations for stream (B) however, are completely handled by the University and necessary notifications are released by the Controller of Examinations, who is the custodian of all examination records of all examinees. All examination related notifications are issued under his/her signature. The overall examination process including publication of results and preparation of Degree Certificates, Medals and Merit Certificates for issuance in the Annual Convocation are his/her responsibility.

The Controller of Examinations(CoE) convenes the Examination Committee constituted by the Vice Chancellor to discuss/find solution of any critical issue, change of any rule or any new idea for implementation as per requirement. The recommendation of the committee is sent to the Vice-Chancellor for approval. The examination committee also oversees the entire process of all examinations and actions taken in the office of the Controller of Examinations.

The guidelines for conducting of the Annual or End Semester Examinations (as applicable to the programme) are as follows:

4. Semester Grade Point Average

SGPA = $CI / \sum CREDITS$ (for a semester)

5.Cumulative Grade Point Average

$$CGPA = \frac{[\sum CI \text{ of all previous semesters up to current semester}]}{[\sum CREDITS \text{ of all previous semesters including the current semester}]}$$

6.The Degree is awarded with CGPA 6.0 or above and having no back log
(F - Fail or I - Incomplete grade) on any other subject item(s)

7.Class/ division shall not be awarded to a student either at semester level or at the final degree examination.

9.0 PUBLICATION OF RESULTS

The results of respective End Semester Examinations/ Annual Professional Examinations/ Supplementary Examinations are to be declared within a period of **21 – 30 days** from the last date of the examination.

The University takes care on those cases that are marginally failed by accepting the conditions and norms of the statutory bodies like UGC, NMC, DCI and INS etc. Such issues in respective programme are considered by the respective Results Committee. The recommendation of Results committee after its meeting is placed to the Vice-Chancellor for approval. The results are published in the University portal after the due approval of the Vice Chancellor. The scan copy of the hard copy results with the signature of Controller of examinations is made available to the Heads of the schools. The student can view their results using their University credential through their University Self Service Portal.

10.0 SUPPLEMENTARY EXAMINATION RULES AND REGULATIONS (STREAM (A))

A supplementary Examination is held annually at the end of each academic year and before the start of the next academic year. Supplementary examination is held only for the current level theory subjects. **The student enrolled in Summer Term Classes may be allowed to appear the Internal, Sessional and Practical Examinations along with the Theory subjects during the Supplementary Examinations.**

- The students will only be allowed to appear for their failed papers in the current level subject to a maximum of 50% of the total subjects for the current year rounded off taking together the subjects of both odd and even semester of that year.
- A student will ordinarily be awarded one Grade less than he/she actually obtains in a subject item in the Supplementary Examination subject to a minimum of C Grade or below, which would remain unchanged. However, there will not be any grade loss for a subject in the supplementary examination for a student, who has attended the summer term classes for those subjects with a minimum of 75% attendance.
- A student who has been debarred due to attendance criteria in that subject and has not attended summer term classes with minimum of 75% attendance will not allowed to appear at the Supplementary examination.
- A student, who misses the End semester examination for one/more theory subjects(s) for any genuine reason like medical ailments or mishap in the family, will be allowed to appear those subject(s) in the supplementary examination **without reduction in grade**. But this will be decided, on a case to case basis, on production of proper documents by the student, subject to the approval of the Vice Chancellor.
- Students with C or D Grade in any of their theory papers in the current level are also allowed to appear for those papers in the Supplementary Examination subject to maximum number of 3 (three) subjects in a year for improvement of their grades without any grade reduction.

11.0 PROMOTION TO NEXT YEAR (STREAM (A))

The office of the CoE notifies the list of students promoted to next level after the publication of the results for the Annual Supplementary Examination provided a student:

- i. has been a bonafide regular student at the present level and is duly registered as such in the University under permission of the Head of Academic Unit/School concerned.
- ii. has not been involved in breach of discipline or has not been barred due to non-completion of the course within the time limit fixed for the purpose.
- iii. has not been temporarily suspended for a specified period by the University and has not been denied the privileges of a regular student at the time when admission to higher levels is in progress.
- iv. has cleared all course items at the present level individually,
- v. does not have backlog of more than 5 (five) course(s) at the current level (from where the promotion is being sought) considering both the semesters in an academic year and
- vi. has no backlogs at any stage below the present level from which the promotion is sought. For example, a student getting promoted from 2nd year to 3rd year level should not have any backlog course(s) item of the 1st year.

12.0 GUIDELINES TO APPEAR FOR THE BACKLOG COURSES (STREAM (A))

Back paper examinations, if any, shall be held along with the normal End-semester examination of the similar (odd in odd and even in even).

A student who is promoted to the next year with backlogs in the previous year is permitted to clear those backlog theory subjects by appearing in the End semester examination for those subjects as back papers in the corresponding semester in which the subject is offered. However, he is required to register for those back-paper subjects in the prescribed form at the beginning of the semester but may be exempted from attending theory classes for those subjects. A student will not be allowed to register for more than five backlog subjects along with his/her regular subject items in each of the even or odd semester. Registration of the backlog subject items has to start from the lowest year onwards. Any remaining back paper(s) beyond five in any semester (even or odd) could be carried forward to be cleared in subsequent semester(s).

Further, any student who fails to clear the 1st year of any programme in two attempts in the form of end semester examination and Supplementary examination will be on probation for one more year (year back). On failing again in the next semester, s/he shall be terminated from the University.

13.0 RULES FOR IMPROVEMENT IN CGPA (STREAM (A))

This provision has been introduced in order to facilitate the students to obtain a Degree at the end of completion of course, where the minimum requirement of CGPA is 6.00.

- A student, preferably without any backlog, is eligible to opt for the improvement examination in a theory paper for a maximum of 3 (three) papers in the Autumn or Spring End semester examination starting with third semester.

Students with a backlog of less than 3 (three) theory papers, can also appear in the improvement examination subject to a maximum of 3 (three) theory papers including the backlog papers. However, he/she has to first register for the backlog papers followed by the papers for improvement.

- The grade improvement option is available to a student only in the immediate subsequent chance in the End semester examination.
- If there is no improvement in the grade for any subject, the original grade will remain in force.

14.0 MINOR AND HONOURS IN B.TECH PROGRAMME

The followings will be mentioned in SEMESTER GRADE REPORT(SGR), Final Grade Report(FGR), Provisional Degree Certificate and Final Degree Certificate for the students opting for Minor and Honours in B.Tech Programmes.

14.1. Provisional Certificate and Final Degree Certificate

- Honours will be reflected in the Final Degree Certificate as well as in the Provisional Certificate as “BACHELOR OF TECHNOLOGY (Honours) in XYZ Engineering”.
- Minor will be reflected as “BACHELOR OF TECHNOLOGY in XYZ Engineering with Minor in ABC”.
- If a student has done both Honours & Minor, it will be reflected as “BACHELOR OF TECHNOLOGY (Honours) in XYZ Engineering with Minor in ABC”.

14.2. Final Grade Report

The followings will be mentioned in the FINAL GRADE REPORT to be issued to the candidates after successful completion of Minor and Honours in B.Tech Programmes.

- Honours will be reflected in the Programme Name in the FINAL GRADE REPORT as B.Tech (Hons.) in XYZ Engineering
- The Honours subjects will be shown in the FGR as (Hons.) after the name of each Honours subject.
- The grades scored by the students in the Honours subjects will be used for SGPA as well CGPA calculations.
- A student after successful completion of Minor will be issued with two consolidated grade reports, one for the B.Tech programme and the other for the Minor discipline.
- The consolidated grade report for the B.Tech programme will have the heading as FINAL GRADE REPORT and will be mentioned as B.Tech in XYZ Engineering in the Programme name.
- Only two Minor subjects of 6th and 7th Semester (total 6 Credits) will be shown as subject_name (Minor)* in this FGR and will be used for SGPA and CGPA calculations in lieu of the Open Electives. The Minor subject having Highest Grade among the three Minor subjects of 7th Semester will be mentioned in the Final Grade Report of 7th Semester. In case, there is a tie in the highest grade, the subject where the student has scored highest mark will be taken for the 7th Semester. In case there is a tie in total mark, the subject appearing at the top will be taken after sorting the subject name alphabetically in ascending order.
- The followings will be mentioned as footnote in the Final Grade Report.

*** For Minor Subjects, a Separate Grade Report is attached Only two Minor Subjects of 6th and 7th Semester are included in this Final Grade Report for SGPA and CGPA Calculations in lieu of Open Electives**

- The consolidated grade report for the Minor discipline will have the heading as **GRADE REPORT FOR MINOR** and will be mentioned as B.Tech in XYZ Engineering with Minor in Minor_Name (School Name offering the Minor).
- All subjects in the Minor Discipline will be shown in the **GRADE REPORT FOR MINOR** along with the grades scored by the student in the respective subject.
- There will be no calculation of SGPA and CGPA for Minor subjects as two of the subjects from this list are already used in the Final Grade Report for calculations of the GPAs.
- The two Minor subjects of 6th and 7th semester which are included in the **FINAL GRADE REPORT** for GPA calculations will be indicated with a footnote at indicated below:

*** Subjects used for SGPA and CGPA Calculations in the Final Grade Report**

- If a student has done both Honours & Minor, he/she will be issued with two Consolidated Grade reports as indicated above with mentioning of the Honours subjects in the FINAL GRADE REPORT. It will be mentioned as B.Tech(Hons.) in XYZ Engineering as the Programme name in the FINAL GRADE REPORT and as B.Tech(Hons.) in XYZ Engineering with Minor in Minor_Name (School Name offering the Minor) in the GRADE REPORT FOR MINOR.
- For all other students the Programme name will be mentioned as B.Tech in XYZ Engineering in the FINAL GRADE REPORT.

14.3. Semester Grade Report

- The semester grade report will reflect the Minor and Honours subjects and indicate the Minor subjects of 6th and 7th Semester which are used for SGPA and CGPA calculation separately as footnote.

A student has to clear all the Minor subjects at the time of eligibility for B.Tech Degree. A student with eligibility for B.Tech Degree and with backlogs in Minor subjects will be awarded only with the B.Tech degree and Final Grade Report with no mention of the Minor Discipline.

15.0 GUIDELINES FOR SUMMER TERM CLASSES (STREAM (A))

Summer term will be conducted during the summer vacation with a view to assist the students, who failed in one or more subjects in the Autumn and/or Spring semester in an Academic year.

- Notification for the summer term for 30 days duration will be notified every year before the commencement of the Spring end semester examination.
- All the students intending to join summer term must register for those courses (Theory/ Practical/Sessional) on the specified day for registration in the summer term on the recommendation of the Head of the School.
- A student is permitted to register for a course in the summer term only if he/she had registered for the course in the preceding Autumn and / or the Spring semester and had appeared in the End semester examinations obtaining an **F/ I/ M grade. The maximum number of subjects a candidate is allowed to register is 50% of total theory subjects for the current year rounded off.**
- Students with C or D Grades are also allowed to register for Summer term courses to improve their Internal and End Semester marks to a maximum of 3 subjects.
- A student debarred under attendance criteria in a subject is bound to attend the summer classes subject with the approval of the Head of the School. He/she will be allowed to appear at the Supplementary Examination in that subject provided he/she has at least 75% or more attendance in that subject in the summer term.
- The course teacher will conduct classes for a subject (36 hours for a 4 credit course and 27 hours for a 3 credit course), quizzes and assignments and Mid semester examination and will compute the internal marks. The process of uploading the marks is as per the practice for other examinations. The best mark between the previous mark and summer term course mark shall be taken into account.
- A student, who attends the summer term classes for a failed subject with a minimum attendance of 75%, will be allowed to appear for that subject in the Supplementary examination without reduction in grade.

16.0 CRITERIA TO APPEAR MAKE-UP MID SEMESTER EXAMINATION (STREAM (A))

- 16.1. No Re-mid semester examination will be scheduled.
- 16.2. No make-up examination will be scheduled for the mid semester examination. However, official permission to take a make-up examination will be accorded under exceptional circumstances such as admission in a hospital due to illness/ injury, calamity in the family at the time of examination.
- 16.3. Applications should be made within five working days after the missed examination.
- 16.4. Late application or application without supporting document(s) will not be processed.
- 16.5. Students residing in the hostels should produce a medical certificate issued from Institute / University Medical Officer or if hospitalized in other than KIMS Hospital should produce a medical certificate endorsed by the Institute / University Medical Officer.
Students who are permitted to stay outside the campus or who are the days-scholars should produce a medical certificate from a registered medical practitioner provided registration number of the medical practitioner appears explicitly on the certificate and endorsed by the Institute / University Medical Officer.
- 16.6. The Head of the concerned School can use his/her discretion in giving permission to a student to take a make-up examination for the mid-semester examination.

- 16.7. Students will be notified about the result of their applications for make-up examination as early as possible.
- 16.8. Date, time and venue of the make-up examinations will be announced by Head of the concerned School.
- 16.9. No further permission / arrangements would be made for students who are absent from the scheduled make-up examination for mid semester examination.

17.0. TRANSFER OF CREDITS TO FACILITATE INTER-UNIVERSITY TRANSFER

The objective of transfer of credits is to facilitate the Inter-University transfer and mobility of a student across different Universities in India and abroad. The procedures for transfer of credits are detailed below:

- 17.1. The University will accept the transfer of credits earned by a student from other Universities /Institutions accepted by the University Equivalence Committee in the field. Such transfer of credits will also hold good for transfer from foreign Universities/ Institutions with which the University has signed MoU for student exchange programmes.
- 17.2. To facilitate the process of transfer of credits for a student migrating from an outside University/ Institution, there will be an Equivalence Committee both at the School level and the University level. The School level Equivalence Committee will consist of the Head of the School as the Chairperson, Programme Head, Subject Experts and Dy.CoE/Asst.CoE of the School.

The Equivalence Committee shall match the syllabi of both the Universities pertaining to different subject items to check the extent of similarities and recommend transfer of credits including credits to be awarded at KIIT Deemed to be University for those subject items, which are found matching. For subjects, where there are gaps and are not covered earlier by a student in his/her previous University/ institution, he/she will be required to clear those subject items under the KIIT Deemed to be University examination system.

The recommendation of the School level Committee will be forwarded to the University level Equivalence Committee, which is to be headed by a Professor appointed by the Vice Chancellor as the Chairperson and the concerned Head of the School or his/her nominee. The final recommendation of the University level committee will be put up to the Vice Chancellor for approval.

- 17.3. The University also permits its students to undertake internship course/ specialized course work / industrial training in other recognized Indian Universities or Foreign Universities or in a reputed industry and earn certain credits for fulfillment of his/her degree requirements at KIIT-DU with prior approval of the Vice Chancellor and Academic Council.

Equivalence Committee should evaluate the internship course/ course work/ training undertaken by the concerned student for such credit transfer.

- 17.4. The University also permits students from Foreign Universities to undertake course work at KIIT Deemed to be University and then the credits earned can be transferred to other Universities under SIP (Semester India Programme) where such students undertake subsequent part of their course leading to his/ her Degree.

18.0 GUIDELINES FOR RE-ADMISSION OF YEAR BACK CANDIDATES (STREAM (A))

A student, already registered with the University, may opt to rejoin a semester for which he/she was a regular student in an identical semester of the preceding year. This is done at the beginning of the said semester under the following conditions:

- a. S/he has failed to clear more than five course items in the earlier year and has been declared as "Year back candidate" in the result sheet after maintaining requisite percentage of attendance as a regular student.
- b. S/he took a break in attending classes due to genuine reasons after joining the semester as a regular student in the corresponding semester of the previous session, and as a result was disqualified from appearing in the end semester examination due to shortage of attendance.
- c. S/he discontinued the course temporarily due to personal reasons but chooses to rejoin the course at the appropriate level during the following session.

18.1. Ordinarily a student shall be expected to re-join a course in the odd semester and shall continue in the following even semester also to complete the two semesters of a level which forms the basis of his promotion to the next higher level. If, however, the student owing to one or more of the following reasons has to repeat only one of the semesters, the credit as earned by him/ her for the other semester shall be carried forward for computation of CGPA, provided that he/she:

- has passed in all course items of the odd semester but has failed to secure promotion to the next level owing to non-compliance of promotion rules formulated taking into account both the Autumn and Spring semesters of the level.
- has passed in all courses of the even semester but has failed to secure elevation to the next level owing to non-compliance with the promotion rules taking both semesters into account.
- Was a regular student and cleared all courses in the Autumn semester as a regular student but was unable to continue as a student in the Spring semester due to reasons beyond his/her control.

18.2. Readmission

A student desirous of re-joining the programme as a regular student after discontinuation/non-promotion shall have to follow the following procedure:

- a. He/she shall have to apply to the University in a prescribed form seeking readmission to the appropriate level along with documentary evidence justifying his/ her case for readmission as follows:
 - **If his / her appropriate level is first year then he/ she may study all the subjects or the subjects he/ she is failed and the subjects which are new for him/ her based on the School level Equivalence Committee report with the approval from the Vice Chancellor.**
 - **If his/her appropriate level is other than first year then he/ she has to study the subjects as mapped by the School level Equivalence Committee with the approval from Vice Chancellor.**
- b. S/he shall undertake to clear all outstanding dues with the University and should pay the prescribed readmission fee.
- c. S/he shall declare that he/she is aware of the maximum time limit for the courses, and in the event of non-adherence to the time limit, he/she shall abide by the rules of the University.
- d. A student cannot claim readmission to a semester or a course as a matter of right.

18.3. Exit policy for M.Sc.-Ph.D. (dual/integrated) Programme

A candidate who wants to leave under any reason may be allowed to leave with M.Sc. Degree only subject to fulfillment of Degree eligibility criteria for the Course. In case of any student who chooses to leave the programme mid-way will not be awarded with degree. The students who have a CGPA 7.0 or more at the end of two years and successfully defend their Master's thesis shall be eligible for award of the Master's degree. Such students shall be inducted into the Ph. D. Programme directly / comprehensive examination with a CGPA of 7.0.

Notwithstanding anything contained in the above rules, the interpretation of the University shall be final in all matters.

19.0 AWARD OF DEGREE AND MAXIMUM TIME LIMIT FOR COMPLETION OF A PROGRAMME (STREAM (A))

In order to qualify for a Degree of the University a student must:

- a. Complete all the credit requirements for the Degree as laid down in the prescribed curriculum of the discipline with a minimum of D Grade scored in every theory and a minimum of C grade in every practical and sessional item except the following courses, where a minimum of C Grade to be scored in every theory as well as every practical and sessional items.
 - M.Tech Courses offered from the engineering schools (2020 Admitted Batch onwards)
 - M.Sc. Courses offered from School of Applied Sciences
 - LLM course offered from School of Law
- b. Obtain a CGPA of 6.0 or higher at the end of the semester in which he/she completes all the requirements for the Degree except UG programmes from School of Social Sciences where the CGPA must be atleast 5.0.
- c. Clear all institutional dues of the University including the hostel dues.
- d. Besides the above, a student is free to acquire additional credits by taking more number of open electives from other Schools in his/her final year provided he/she has a minimum CGPA of 7.5 till the end of his/her pre-final year. The grades obtained in such subject(s) will be recorded in his/her Grade Card and will contribute to the computation of CGPA.

19.1. Maximum Time Limit for completion of a Programme

A student for whatever reasons is not able to complete the programme within the normal period or the minimum duration prescribed for the programme, may be allowed two years period beyond the normal period to clear the backlogs to be qualified for the degree.

The general formula therefore should be as follows:

- Time Span = $N+2$ years for the completion of programme, Where N stands for the normal or minimum duration prescribed for completion of the programme
- In exceptional circumstances a further extension of one more year may be granted. The exceptional circumstances be spelt out clearly by the relevant statutory body concerned of the University.
- During the extended period the student shall be considered as a private candidate and also not be eligible for ranking.

20.0 DISSERTATION/THESIS EVALUATION FOR POSTGRADUATE PROGRAMMES

The general rules common to all programmes (under stream A) are also applicable to the postgraduate (PG) programmes offered by the University. However, the **Dissertation/Thesis** component which does not have an end semester examination is evaluated as per the PG regulation booklet of the University.

An evaluation committee comprising of faculty members of the school evaluate the mid semester performance. The committee is appointed by the Head of the school. The performance in the defence seminar and quality of the final dissertation are evaluated by a committee of faculty members appointed by the Head of the school **along with an external expert from an Institute/ Industry of repute**. The score sheet of the committee to be submitted to the controller of examination for processing of results.

20.1. Selection procedure for appointment of External Examiner

1. The Programme head prepares a list of external examiners from outside the institute in consultation with the Head of the school and thesis supervisor(s). The external examiner must not be below the rank of Associate Professor from a reputed institute.
2. The prepared list of external examiner(s) is forwarded to Vice Chancellor for approval. After approval, a date is fixed for final evaluation of the thesis in consultation with respective external examiner. One examiner can examine maximum Ten M. Tech. student's thesis.

21.0 SYSTEM OF EVALUATION AND AWARD OF DEGREE FOR MEDICAL SCIENCES RELATED PROGRAMMES - STREAM (B)

21.1. MBBS PROGRAMME

21.1.1 Examination and Evaluation

The performance of students pursuing MBBS degree course is to be assessed based on:

- Attendance
- Internal Assessment
- University Examination
- Compulsory Rotating Internship

The semester examinations and other test / examinations (both regular and supplementary) are conducted by the School where as Professional Examinations (both regular and supplementary) are conducted by the University as per the academic calendar.

21.1.2. Attendance

- i. 75% attendance is compulsory in a subject inclusive of attendance in non-lecture teaching, i.e., seminar, practical, group discussions, tutorials, demonstrations, hospital (Tertiary, Secondary, Primary) postings and bedside clinics etc. for appearing in the examination is compulsory.
- ii. The Vice Chancellor may condone attendance shortage to the extent of 5% in any course(s) for individual student on the following grounds with documentary proofs.
 - a). Incapacitation due to self-illness
 - b). Calamity in the family.
- iii. However, under no circumstances, students with less than 70% in a course attendance will be allowed to appear at the examination in that course/subject.
- iv. The heads of various departments must intimate to the Head of the School at least 15 days prior to the examination the names of such students who shall not be allowed to take examination due to shortage of attendance.
- v. The Head of the School shall announce the names of all such students who are not eligible to appear at the Professional Examination at least 7 days before the scheduled examination with a copy to the Controller of Examinations.

21.1.3. Internal Assessment

- i. Weightage for the internal assessment shall be 20% of the total marks in each subject.
- ii. Students must secure at least 35% marks of the total marks fixed for Internal Assessment (for Theory and Practical/Clinical 35% separately) in a particular subject in order to be eligible to appear at the final University Examination in that subject.
- iii. The results for a student will be withheld in case he/she has scored less than 50% of the total marks fixed for Internal Assessment. (2019 Admitted Batch onwards)

- iv. Internal Assessment shall be based on day- to –day assessment and the record of evaluation of student assignment, preparation for seminar, clinical case presentation etc.
- v. Internal Assessment shall relate to different ways in which students' participation in learning process during semesters is evaluated. Some examples are as follows:
 - Preparation of subject for students' seminar.
 - Preparation of a clinical case for discussion.
 - Clinical case study/problem solving exercise
 - Participation in project for health care in the community(planning stage to evaluation)
 - Proficiency in carrying out a practice or skill in small research project.
 - Multiple choice questions(MCQ) test after completion of a system/ teaching.
- vi. Regular periodical examinations shall be conducted throughout the course, the number of examinations to be conducted is left to the discretion of the department.
- vii. Day to day records should be given importance during internal assessment.
- viii. Each item tested shall be objectively assessed and recorded. Some of the items can be assigned as Homework, Vacation work etc.

21.1.4.1. Paper setting and appointment of Examiners

- i. There shall be four University/Professional Examinations which are notified in the academic calendar.
- ii. The University shall not conduct more than two professional examinations in a year for any professional course within an interval of six weeks, i.e., supplementary examinations will follow the annual examination, after a duration of six weeks.
- iii. No person shall be appointed as examiner in any of the subjects of professional examination leading to and including the final professional examinations for the award of the MBBS degree unless he/she has at least 5 years of teaching experience as a faculty in college affiliated to a recognised university and a doctorate degree of a recognized university or an equivalent qualification in the particular subject as per recommendation of the council on teachers' eligibility qualifications.
- iv. There shall be at least 4 examiners for 100 students and at least 50% of the examiners must be External Examiners. The senior most internal examiner of the four (04) examiners will act as the Chairman and Coordinator of the whole examination programme. If the candidates appearing the examination are more than 100, one additional examiner, for every additional 50 or part there of candidates appearing shall be appointed.
- v. Non-medical scientist engaged in the teaching of medical students as whole-time teachers, may be appointed as examiners in their concerned subjects provided, they possess requisite doctorate qualifications and 5-year teaching experience of medical students after obtaining their postgraduate qualification. Provided further that the 50% of the examiners (internal and external) are from the medical qualification stream.
- vi. Except Head of the department of subject concerned in a college/institution, all others with the rank of Associate Professor or equivalent and above with requisite qualifications and experience shall be appointed internal examiners, by rotation, in their subjects. If there are no posts of Associate Professor in a department, then an Assistant Professor of 5 years standing as Assistant Professor may be considered for appointment as an examiner.

- vii. The setting of University question paper shall be done by the external member/internal member not below the rank of Associate Professor, from outside of the same university recognized by NMC .
- viii. There shall be a Chairman of the Board of paper setters who shall be an internal examiner and shall moderate the question.
- ix. The appointment for question paper setters shall be done by the University.
- x. Each question paper on the subject is moderated by a suitable moderator appointed by the University.
- xi. The moderator may change maximum up to 40% of the total questions prepared by the question setter.
- xii. The evaluation of theory paper shall be done by both internal and external examiner to ascertain if the examinee has acquired the desired skill.
- xiii. There shall be external member on practical/oral and clinical examination and the eligibility for being a member is not below the rank of Associate Professor.
- xiv. The external examiner appointed for evaluation of answer scripts on a subject is preferably the same as an examiner on the same subject for practical/oral and clinical examination (refer VII above).

21.1.4.2. Question papers preparation

- (A) Head of the school shall forward the list of examiner panel 3 months before the University Examination. The list must contain correct postal address, E-mail id, Mobile number and Landline Number (Res & Off).
- (B) Approval of list of paper setters is obtained from the Vice Chancellor eight weeks prior to the examination and request to the paper setter is sent seven weeks prior to the examination.
- (C) Consent from the paper setters is obtained by E-mail/fax six weeks prior to the examination
- (D) Soft copies of the question papers from the paper setter should reach the COE four weeks prior the examination.
- (F) Moderation of soft copies of the question papers to be done minimum three weeks prior to the examination.
- (G) Formatting of question papers to be done minimum two weeks prior to the examination.
- (H) Question papers must be ready in sealed cover at least one week prior to the University examination.

All appointments shall be done by the University on Member for question paper setting, Internal and external examiners for evaluation of University Answer Scripts.

21.1.4.3. Specific format for Setting University Question paper

- i. Theory paper will be prepared by paper setter such that the questions will be of short/objective type and marks on each parts are indicated separately.
- ii. Total no of question mentioned in the sample question paper.
- iii. Scope for any choice/ All questions to be answered.

21.1.5 Evaluation

The evaluation for performance of students has two components:

- a. Evaluation through professional examinations.
- b. Continuous evaluation through internal assessments.

The distribution of weightage for various components of evaluation is as under:

2019 admitted batch onwards

Theory

Professional examination 100%

Practical/Clinical and oral

Professional examination 100%

2018 admitted batch and previous

Theory and Oral

Professional examination 80%

Internal assessment 20%

Practical/Clinical

Professional examination 80%

Internal assessment 20%

21.1.6. Evaluation system

Evaluation of a student at the end of a professional examination will be through

- a. Written examination
 - Descriptive (short structured question)(80%)
 - Multiple choices/Very short answer type (20%)
 - (Most of the questions should have an applied aspect)
- b. Oral examination
- c. Practical examination.

21.1.7. Pass Criteria in the examinations:

- i. A candidate will be allowed to appear, for a maximum of four times (annual and supplementary) to clear the first professional examination. In case he/she is unable to do so, his/her name will be struck off from the University rolls. A candidate can appear in the second professional examination only if he/ she has passed the first professional examination and complete the total course of studies for three semesters (i.e completed 18 months of training).
- ii. It is mandatory for a candidate to pass the second professional examination to sit for third professional examination Part I. But it is not mandatory to pass third professional Part I to enter the pre final and final terms. However, the candidate has to pass Part I examinations to sit for Part II examinations.
- iii. If a student has supplementary examination in only one subject, he/she is allowed to attend classes of the next professional courses and appear in the supplementary examination.
- iv. If s/he has supplementary in more than one subject, s/he is not allowed to attend the classes of the next professional courses until s/he clears all but at most one supplementary examination. In case s/he fails to clear the supplementary examination, s/he will be declared as 'fail' and s/he has to repeat the year.
- v. In general, a maximum of four attempts shall be allowed to a student to pass a professional examination.
- vi. A student may be permitted a fifth attempt to appear in a professional examination due to reasons of illness or family calamity, with the approval of the Vice Chancellor.

- vii. A student may apply to the CoE for re-checking of the answer script(s) on payment of prescribed fees within two weeks from the date of the declaration of the result. Rechecking shall mean verifying that all the questions and their parts have been duly marked as per the question paper including the totalling of marks. In the event of a discrepancy, the same shall be rectified through appropriate changes in both the result as well as answer script of the student concerned.
- viii. A student securing less than 50% of maximum marks in a course shall be allowed to reappear in the supplementary examination, while the marks obtained by such a student out of teacher(s) continuous evaluation component shall remain unchanged.
- ix. A student, fulfilling the minimum attendance requirements, is not able to appear in the professional examination, shall be allowed to appear in the supplementary/subsequent examination of the concerned course in subsequent terms when such examination are held. He/she shall not be required to attend the classes again, and the marks obtained by the student out of teacher's continuous evaluation component shall remain unchanged.
- x. A student who has not been allowed to take an examination due to shortage of attendance shall be required to repeat the course and will be required to attend classes in all component of the course. A candidate, whose Thesis has been approved by Board of Examiners, but whose performance at the other parts of the Examinations is not considered satisfactory, shall be exempted from re-submission of the thesis for the FIVE subsequent examinations of the University. The failed candidate will appear at the next examination conducted by the University after a gap of not less than 4 months and not more than 6 (Six) months of publication of results.

21.2.15. Publication of Results: Publication of the Results by the University will be effected after the completion of Examination. The University shall publish a list of successful candidates arranged in alphabetical order (Subject wise) with a condition that the concerned Certificate will be issued only on completion of the requisite period of *three* calendar years of training from the actual date of Joining (Date or Registration) the programme by the candidate. Qualified candidates will be issued Provisional Pass Certificate by the University on receipt of required clearance/ no dues certificate from the Department concerned.

21.2.16. Award of Degree: A candidate declared successful in the examinations shall be granted a Degree of Master of Surgery (MS) or Doctorate of Medicine (MD) in the respective specialization.

21.3. BDS PROGRAMME

21.3.1. Examination and Evaluation

The performance of students pursuing BDS degree course shall be assessed broadly on the following:

1. Written examination
2. Practical examination
3. Clinical examination
4. Viva voce

21.3.2. Internal assessment

The examinations may be held at regular interval at least 3 times in a given academic year and the average marks of these examinations should be considered. Ten percent of the total marks in each subject separately for theory and practical/clinical examination should be set aside for the internal assessment examination.

21.3.3. University examination:

The examination for BDS Course shall be divided into first BDS examination at the end of the first academic year, second BDS examination at the end of second year, third BDS examination at the end of third year, fourth BDS examination at the end of fourth year and Final BDS examination at the end of fifth year. 240 days minimum teaching in each academic year is mandatory.

The examination shall be open to a candidate who satisfies the requirements of attendance and other rules laid down by the university.

The University shall organize admission timings and the admission process in such a way that teaching starts from first day of August in each academic year.

21.3.4. Paper setting and appointment of Examiners

A faculty in a Dental teaching institution should have:

1. MDS Degree from a recognized Institution
2. Four years teaching experience in the subject in a Dental Institution
3. The post of a Reader or above in a Dental Institution approved/recognized by Dental Council of India for BDS

Specific criteria:

1. In case of Public Health Dentistry as there is an acute shortage of teachers, one examiner has to be from Public Health Dentistry and second one could be from periodontics. This arrangement shall be reviewed after three years.
2. In case of physiology and Biochemistry, the internal examiner is from physiology and the external examiner is from Biochemistry or vice-versa.
3. In case of Pathology and Microbiology, the internal examiner is from Pathology and the external examiner is from Microbiology or vice-versa.
4. In case of Dental Materials, the internal examiner is from prosthodontics and the external examiner should be from Conservative Dentistry or vice-versa.

Fifty Percent of Examiners appointed shall be external from the Dental Institutions from any another University preferably outside the state approved /recognized by Dental Council of India for BDS Course.

Reciprocal arrangement of Examiners should be discouraged. In such situation, internal examiner in a subject is not allowed to act as external examiner for a collage/Institute/University from which external Examiner is appointed in that subject for the corresponding period.

No person shall be external Examiner to the same university for more than three consecutive years. However, if there is a break of one year the person can be re-appointed.

“Minimum Physical Requirement and Minimum staffing pattern (as per DCI Regulation 2006)”

21.3.4. Written Examination

1. The written examination in each subject shall consist of one paper of three hours duration and shall have maximum of 70 marks.
2. In the subjects of Physiology and Biochemistry and Pathology and Microbiology each paper will be divided into two parts such as part A and B of equal marks.
3. The question paper should contain different types of question such as essays, short Answers and objective type /M.C.Q's.
4. The nature of questions set, should be aimed to evaluate students of different standards, ranging from average to excellent.
5. The question should cover as broad an area of the content of the course. The essay questions should be properly structured and the marks specifically allotted.
6. The University may set up a question bank.

21.3.5. Practical and Clinical Examination

1.Objective Structured Clinical Evaluation: The present system of conducting practical and clinical examinations at several Universities provides chance for unrealistic proportions of luck. Only a particular clinical and practical examination should provide a number of chances for the candidate to express one's skills. A number of examination stations with specific instruction should be provided. This can include clinical procedures, Laboratories, experiments, spotters etc. Evaluation must be made objective and structured. The method of objective structured clinical examination should be followed. This will avoid examiner bias because both the examiner and the examinee are given specific instruction on what is to be observed at each station.

2.Records/Log Books: The candidate should be given credit for his records based on the scores obtained in the record. The marks obtained for the record in the first appearance can be carried over to the subsequent appearance if necessary.

3.Scheme of Clinical and practical Examinations: The Scheme of Clinical and practical Examinations, the type of clinical procedures/experiments to be performed and the marks allotted for each are to be discussed and finalized by the chairman and other examiners and it is to be published prior to the conduct of examination along with the publication of the time table for the practical examination. This scheme should be brought to the notice of the external examiner as and when the examiner reports. The practical and clinical examination should be evaluated by two examiners of which one shall be an external examiner appointed from other university preferably outside the state. Each candidate should be evaluated by each examiner independently and marks computed at the end of examination.

4.Viva Voce: Viva voce is an excellent mode of assessment because it permits a fairly broad coverage and it can assess the problem solving capacity of the student. An assessment related to the affective domain is also possible through Viva Voce. It is desirable to conduct the viva voce independently by each examiner. In order to avoid vagueness and maintain uniformity of standard and coverage, question can be formulated before administrating them on each student. Twenty marks are exclusively allotted for Viva Voce and that can be divided equally amongst the examiner that is 10 marks per examiner.

21.3.6. Criteria for Promotion

Any student, who does not clear the first BDS University Examination in all subjects within 3 years from the date of admission, shall be discharged from the BDS programme.

Any candidate who fails in one subject in an examination is permitted to go to the next higher class and appear for the subject and clear it successfully before he/she is permitted for the next higher examination.

A candidate who has not successfully completed the first BDS examination cannot appear in the second year Examination.

A candidate who has successfully completed the second BDS Examination can appear the third BDS Examination.

21.3.7. Criteria for a pass in the examinations

The Results Committee discusses the results of each subject and overall performance. The grace marks on marginal cases as per University Rule are also discussed and after considering the results it is recommended for approval of the competent University.

Fifty percent of the total marks in any subject computed as aggregate for theory i.e., written, viva voce and internal assessment and practical including internal assessment separately is essential for a pass in the subject.

A candidate must secure at least 50% marks to pass in a subject in the university examination both in Theory and practical/clinical examinations as detailed below

- A candidate shall secure 50% marks in aggregate in theory including Viva Voce and internal assessment in University written Examination combined together.
- A candidate shall secure 50% of University practical marks and internal assessment combined together in the University practical/clinical examinations.
- In case of pre clinical Prosthetic Dentistry and Pre Clinical Conservative dentistry in second BDS where there is no written examination, minimum pass mark is 50% of marks in practical and Viva Voce combined together in University examination including internal assessment.
- Successful candidates who obtain 65% of the total marks or more shall be declared to have passed the examination in First class. Other successful candidates will be placed in second class. A candidate who obtains 75% marks and above in a subject is eligible for Distinction in that subject. Only those candidates who pass the whole examination in the first attempt will be eligible for distinction or class.
- First Class and distinction etc to be awarded by the university as per respective rules.
- The rank in the programme is decided based on the highest in aggregate of 4 years marks.
- After the evaluation from all examiners, all the answer scripts are scrutinized (in case of hard copy evaluation) by Scrutinizers appointed by respective department for the Examinations.
- Marginal cases up to a maximum of 5 marks are awarded to the students who have failed only in one subject but passed in all other subjects.

21.3.8. Re-scrutiny of Marks (in case of hard copy evaluation)

A student may apply, within two weeks from the date of the declaration of the result, for re-checking/ re-totalling of the examination script(s) on the payment of prescribed fees. Rechecking shall mean verifying whether all the questions and their parts have been duly marked as per the question paper, and checking the totalling of marks. In the event of a discrepancy being found, the same shall be rectified through appropriate changes in both the result as well as the sheet of the concerned professional examination.

21.3.9. Award of Degree

After successful completion of all *four* year Examinations, *one* year of compulsory Rotating Internship in the parent Institution/ another Institution recognized by Dental Council of India (D.C.I) for the award of BDS degree.

21.4. PG (MDS) PROGRAMME

MDS degree examination in any branch of the study shall consist of dissertation, written paper examination (theory), practical/clinical and Viva-voce & pedagogy. There shall be two examinations (Part –I and Part-II) within the three years of the programme.

21.4.1 Eligibility for Examinations

The following requirements shall be fulfilled by the candidate to become eligible for the final examination.

The University holds its Annual Convocation every year to award the Degrees to the eligible candidates of different programmes.

24.0 DEGREE CERTIFICATES AND MERIT CERTIFICATES

The Dy. CoE/ Asst. CoE of each School prepares a list of eligible students for Degree in a school level committee and will submit it to Head of the School for verification. The list is forwarded to the Controller of Examinations. The list after final verification in the office of the CoE to be placed to the Vice-Chancellor for approval.

The CoE then procures the Degree Certificates from the approved vendor and preserves the correct form of the Degree adhering to the proper procedure. The Degrees are then handed over to the Head of the School one day before the Annual Convocation.

The Merit Certificates and Medals are handled by the office of the CoE under direct supervision of the COE on the instruction of the Registrar.

24.1. Criteria for awarding the Gold and Silver medals

- Students, who have passed all the examinations in their first attempt and have graduated in the prescribed duration of the course, are only eligible for the medals/ awards. Ineligibility / inability to appear in an examination due to whatever reasons, including illness or other reasons beyond one's control, shall be treated as a lost attempt.
- For award of Medals, the minimum eligibility criterion is 8.50 CGPA (out of total 10 grade points). However for award of Medals to students of KSSS, the minimum eligibility criterion is 8.00CGPA for PG as well as UG Programmes.
- For award of Medals, the minimum number of students in the programme is 40 for UG programmes and 10 for PG programmes. However, student strength in a programme is not the criteria in case of $CGPA \geq 9.5$
- The students selected for Medals must not have been involved in any breach of discipline at any point of time during their study period in the programme.
- For Dual Degree Programmes, Gold Medals to be awarded to the student for scoring highest CGPA in each of the following Programmes.
 - B.Tech and M.Tech in Engineering (Dual Degree)
 - B.Tech in Engineering and MBA (Dual Degree).
 - B.Tech and M.Tech in Biotechnology (Dual Degree)
- For various disciplines (like in B.Tech) and various specializations (like in M. Tech., MBA, LL.B), students with highest CGPA in each discipline of specialization for a particular Degree will be awarded Vice Chancellor's Silver Medals. Only the student with the highest CGPA among all such specializations / disciplines leading to Degree, such as B.Tech. or MBA or L.L.B., as the case may be will be awarded the Chancellor's Gold Medal. Thus there will be no Vice Chancellor's Silver Medal from the discipline or specialization where a student bags the Chancellor's Gold Medal.

26.5. Examination Disciplinary Committee

I. Preamble

There shall be an Advisory Committee of the University concerned with the indiscipline of students, called the Examination Disciplinary Committee. All cases of breach of discipline in connection with the examinations of KIIT Deemed to be University shall forthwith be reported with relevant documents and details to the Disciplinary Committee by the Centre Superintendent at the examination centres through the Controller of Examination. The functions and responsibilities of the Disciplinary Committee shall be determined by the Academic Council from time to time. All decisions of the Disciplinary Committee shall be taken at a meeting of the Committee and the decision of the Committee shall be binding.

II. Composition of the Examination Disciplinary Committee:

The Examination Disciplinary Committee shall consist of the members with a Chairman approved by the Vice-Chancellor.

III. Meeting of the Examination Disciplinary Committee:

Meetings of the Examination Disciplinary Committee shall be convened by the Controller of Examinations, the convener of the committee on such dates and as such times and places with the consent of the Chairman and at least three days notice shall be given for a meeting. The Controller of Examinations shall keep a record of the proceedings of the meetings.

IV.Functions and responsibilities of the Examination Disciplinary Committee:

The functions and responsibilities of the Disciplinary Committee shall be determined by the Academic Council of the KIIT Deemed to be University.

On receipt of reports of cases of breaches of discipline, the Controller of Examinations shall inform the student concerned the charges against him and ask him to appear before the Disciplinary Committee and furnish an explanation, verbally or in writing with regard to the charge framed against him.

The student shall also be informed that in case he fails to appear before the Disciplinary Committee and explain his conduct on the date fixed for the purpose, his case may be decided ex-parte without further reference to him. If the Disciplinary Committee holds that the charges referred to in the above paragraph have been proved, it may recommend cancellation of the examination of the candidate concerned, or his debarment from appearing at the University examination for such period as it may deem fit, or both. If the number of cases (of breach of discipline in the examination) are more, which cannot be disposed off in a single meeting of the Disciplinary Committee, Disciplinary Committee in its meeting may appoint one or more sub-committees consisting of 2 to 3 members who may not necessarily be the members of Disciplinary Committee with the approval of the Vice Chancellor.

The sub-committee or sub-committees shall scrutinize all the cases of breach of discipline and exonerate those students from the charges whom they consider eligible for such exoneration after preliminary enquiry, or, recommend suitable disciplinary measures including cancellation of examination or debarment from appearing at any institute examination for such a period as it deems fit. All such cases will be re-examined by the Disciplinary Committee before their final recommendation to the Vice Chancellor.

Such students against whom disciplinary measures have been recommended shall be given an opportunity to defend their cases, if they so desire, after they are intimated about the punishment imposed on them. In such cases, a Grievance Committee consisting of members nominated by the Vice Chancellor can investigate, interrogate and give those students an opportunity to place their grievances. In case the students fail to appear before the Grievance Committee on the fixed date and time and furnish an explanation in writing in regards to charges made against them, their cases shall be decided ex-parte by the Grievance Committee. The Grievance Committee shall forward their final recommendation to the Vice Chancellor for approval.

31.2.5. Process for Evaluation and Submission of Marks for online End Semester Examination

The process for evaluation and submission of marks for online End Semester Examination is as follows:

- Soft copy of the Question papers to be shared by the Office of the Controller of Examinations to the concerned Dy.CoE/Asst. CoE of the school offering the subject.
- The Dy.CoE/Asst. CoE of the school share the question paper to the concerned Course Committee to prepare the Scheme of Evaluation for the subject. A copy of the evaluation Scheme to be sent to the Asst.CoE of the School for record.
- Dy.CoE/Asst. CoE of the School will share the Examiner credentials to the concerned examiners along with the manual for evaluation through Moodle.
- The evaluation of the answers submitted by the examinees are to be carried out by the examiners as per the Scheme of Evaluation designed by the Course Committee.
- The chief examiner/Course Coordinator should monitor the evaluation status from time to time and update the Dy.CoE/Asst. CoE regarding the progress of evaluation in the subject.
- The student view after evaluation to be opened in Moodle to view the marks scored by the examinees with prior notification by the Dy.CoE/Asst. CoE.
- Any grievance of the student has to be resolved by the examiner within 24 hours through email communication to the students.
- The examiner after addressal of all issues related to the evaluation for the assigned group of students to him/her on the subject will inform through email to the Chief Examiner about the completion of evaluation.
- The Chief Examiner after receiving certification from all examiners for the subject will send a certification to the Dy.CoE/Asst. CoE of the school to extract the marks from Moodle and use them for results processing.
- The end semester mark will be extracted directly from Moodle by the office of the CoE and will be used for results processing in the University ERP system.
- The remaining processes are same as the offline examination.

31.2.6. Administrative structure in Mid-Semester Examination

The online Mid semester examination are conducted in online mode under the direct supervision of the Head of the School.

The administrative structure for conduct of the online Mid Semester examination is shown below in Fig.31.2.6

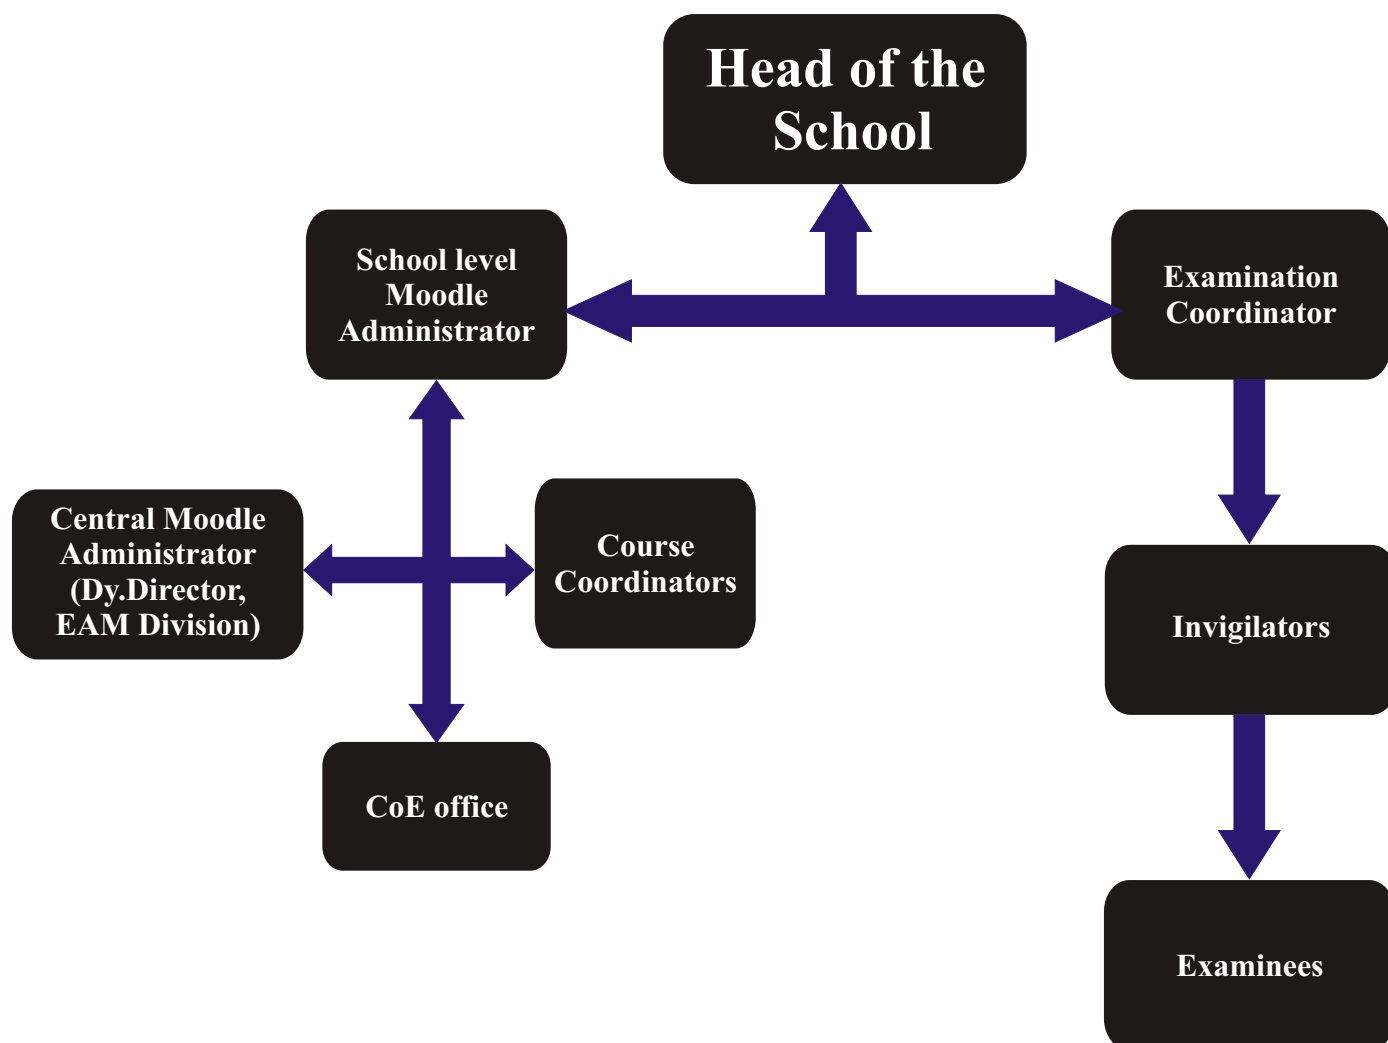

Fig.31.2.6: Administrative structure for conduct of the online Mid Semester examination

31.2.6.1. Roles and Responsibilities of Examination officers

Head of the school will appoint the Moodle administrator (preferably the Dy.CoE/ACoE) and examination coordinator of the school and monitor the entire process with assistance from the School level Moodle Coordinator and Examination Coordinator.

School level Moodle Administrator will communicate with the Course Coordinators for collection of question paper as per the format and take steps to set the questions in Moodle platform in consultation with University level Moodle Administrator. They will be responsible for subject student mapping for the examination in Moodle platform.

Examination Coordinator schedules and monitors the online examination by creating Virtual room and mapping of invigilators and examinees to each Virtual Room as per the online examination guideline of the University.

31.2.6.2 Question Pattern & Process of Examination

- The Mid Semester **ONLINE** examination will be conducted as per **SCHEDULE** to be notified by the Head of the Schools and it will be monitored through online platform by the invigilators. The duration of examination is of 1 hour for each subject.
- Question paper contains two sections i.e. SECTION-A and SECTION-B. Question paper carries 20 marks containing 5 objective type questions of 2 marks each and 2 descriptive questions with equal weightage of 10 marks each.
 - The duration of SECTION-A is proposed to be of 20 minutes and will contain 5 compulsory questions of 2 marks each.
 - The questions can be MCQ type or short answer type which should be answered maximum within 2/3 lines without requiring to draw any diagram or use of Mathematical equations.
 - There will be no free navigation among these questions.
 - The questions will cover the entire course covered up to the Mid semester examination.
 - Each of these questions to be randomly selected from a question bank containing 4 questions on the same concept.
 - SECTION-B contains TWO questions and will be of duration of 30 minutes. An examinee has to answer any ONE out of TWO questions randomly selected from a question bank containing 5 questions. The questions will emphasize on testing the design/analysis/creative ability of the examinee based on the theoretical knowledge on the subject.
 - Depending upon questions in SECTION-B, the examinee might have to draw Block diagram/figures/equations etc. on plain paper while answering and these scan copies should be uploaded instantly citing his/her Roll No and full Signature with date against respective question on each page. A buffer time of 10 minutes will be allotted for SECTION-B to upload the scan copy of answer sheet.
- The mapping of the CO to each question should be mentioned in the question paper.
